Fonda – Wall Sconce

Brilliantly colored slabs of glass admire their reflection in frames of narcissistic nickel. The magic of the ancient Murrina Millefiori Murano process means every hand-crafted shade is original in pattern – offering a true art piece. Custom sizes and colorways available.

Thomas Cooper Studio is born of a passion for skillful craftsmanship and distinctive design. Each work is a hand-crafted testament to the exploration of artisanal traditions and sculptural expression, creating a distinctly personal collection of luminaires and décor. Custom editions are available by commission.
